

20. sajandi algul hakati üha rohkem saatma **postkaarte** ja nendel kujutati muu hulgas rahvarõivaid. Eesti Rahva Muuseumi kirjastatud postkaartidel tutvustati muuseumi talletatud rahvariideid nii joonistustel kui ka fotodel.

Raamatukauplused ja kirjastajad andsid samuti välja samateemalisi postkaarte (Verlag R. von der Ley, Reval; Verlag von Kluge&Ströhm, Reval jt.)

The beginning of the 20th century saw the growing popularity of **postcards**. The Estonian National Museum published postcards with drawings and photos of national costumes stored in the museum's collections.

Postcards with traditional clothing were also issued by bookstores and publishers (Verlag R. von der Ley, Reval; Verlag von Kluge&Ströhm, Reval and others).
